HUMBLE, KNOWLEDGEABLE, SKILLFUL, ADVOCATE. *These are the many thoughts that come to mind when I think of Deirdre Sanderlin. I have had the pleasure of collaborating with Sanderlin for a multiplicity of education empowerment workshops for low to moderate income households in crisis and searching for a pathway to stability. Through Sanderlin's facilitation, she provided awakening insight and fundamentals for participants to realize they are in reach of the light at the end of the tunnel. Former attendees have voiced their appreciation and respect for her "realness" positivity and understanding personality. STOP Housing Counseling Services will continue to strongly support D. Sanderlin as her communication and teachings, she helps to transform negativity into positivity for many who felt they have lost their voice."*
